

# CREATE-YOUR-OWN CUBE

## Cube created by: \_\_\_\_\_

Cut along the outside edges of your Cube. Then, fold along the dotted lines, making sure that your typed information stays on the outside. Tape the sides together to make a cube.

fold	What is personification? Give one example.	fold	What is an idiom? Give one example.	fold	What is an onomatopoeia? Give one example.
fold	What is a simile? Give one example.	What is a metaphor? Give one example.	What is alliteration? Give one example.	fold
